

METAG

WHITEPAPER

INTRODUCTION

1. Introduction

METAGOD is a “Metaverse” inspired by the creator of the world - God! God is most often held to be incorporeal, with said characteristic being related to conceptions of transcendence.

Therefore, METAGOD is a digital rendered 3D virtual reality world focused on gaming, social interaction, and entertainments.

METAGOD is devised by multiple dimensional MAPs. For each MAP, “gamers” can participate in different GAMES launched by different “publishers”. Whereby gamers are able to play and socialize through various games and entertainments on MAP.

METAGOD ecosystem is powered by a “triple” token principle which further enhance on the building of the whole game ecosystem and providing a better reward to the gamers.

Being one of the God Avatar owners, you are able to decide the future of the Metaverse that is created by you.

1.1 METAGOD Unique Selling Point:

- 1) Metaverse inspired by classic board game - Monopoly
- 2) Multiple and diverse gameplays in one MAP
- 3) Unique economy powered by “triple” token model
- 4) Most favourable and addictive gameplay
- 5) Communities decide the new game onboard
- 6) New staking on AVATAR Concept

2. Entering METAGOD GOGOVERSE

2.1 God Avatar NFT

It served as VIP pass to enter GOGOVERSE, this Avatar NFT is used to record gamer's journey in GOGOVERSE. It helps to store all the in-game experiences and connected the in-game asset data. It reserves with a main feature to unlock "Play to Earn" mode, and owner able to stake \$MTG on it to increase NFT staking reward in-game reward multiplier.

2.1.1 NFT Rarity

GOD Avatar NFTs have separated into 6 different rarities that categorized in 2 main groups. For the group of common, uncommon and rare GOD NFTs are not able to work for levelling whereby for epic, mystic and legendary can increase level through NFT burning cycle.
